**Camp at the ranch and make a weekend of the event.**

Reed Valley Ranch is a working cattle ranch that was settled in 1867. Though we have many modern amenities, we are remote and limited to conveniences. Once you get to the ranch you won't want to leave. We are excited to share this western way of life in Southern California with you.

**Overnighting**

Horses

- \$30.00 night pen fee per night. 1 horse per pen

We will be bringing in panels for pens so we recommend you book your pens prior to the event.

Humans

- \$10.00 camping per night, primitive camping site only

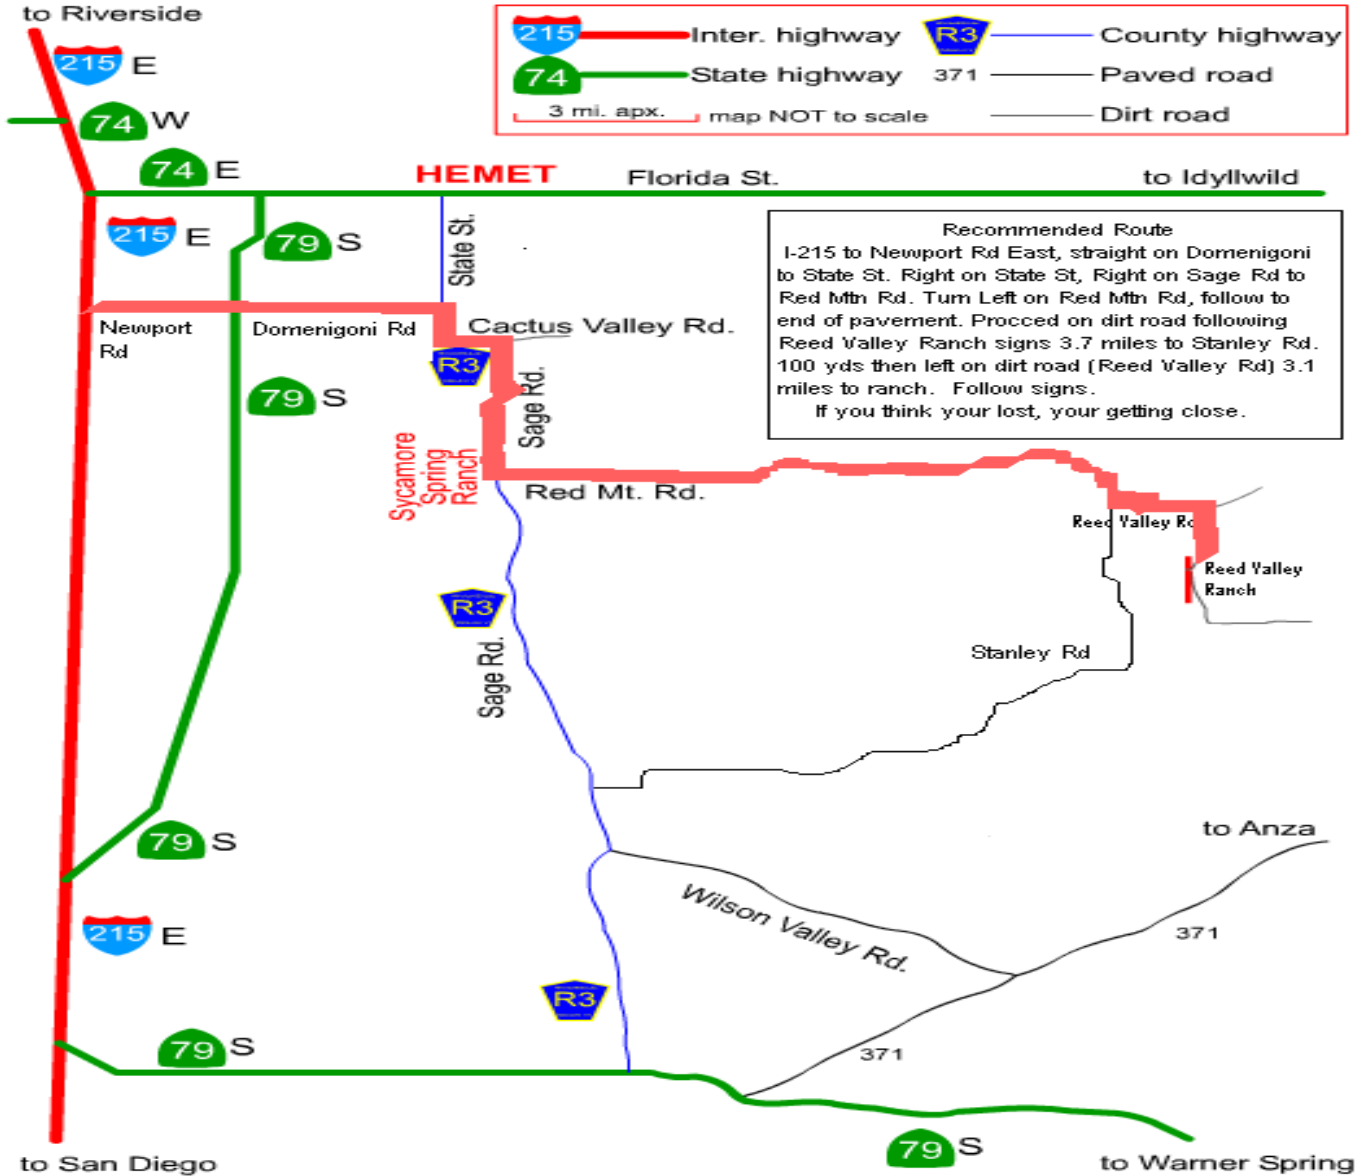

Horses can be tied to trailers or you can bring your own pens with camping fee.

Please contact us to make arrangements and to answer any questions you may have.
